## Wisconsin Consolidated Plan – Certification of Consistency of Public Housing Agency Plans – Fact Sheet

The federal Quality Housing and Work Responsibility Act (QHWRA) of 1998 requires that all public housing agencies submit a public housing plan to U.S. Department of Housing and Urban Development (HUD) every five years. An annual plan for each year the agency receives section 8 tenant-based assistance or public housing subsidies may also be required.

The five-year plan has two components: (1) a description of the housing agency mission for serving the needs of low-income and very-low-income individuals for the five-year period, and (2) a description of the goals and objectives that will enable the agency to serve the needs of the low-income and very-low-income individuals.

The plan must provide details about the public housing agency's immediate operations for the upcoming fiscal year. The annual plan contains numerous sections. The content requirements may vary depending upon the housing agency designation as a high performer, standard performer, troubled performer, section 8 only, or as a small public housing agency.

Public housing agencies are required to obtain a Certification of Consistency with the applicable Consolidated Plan for Standard Annual, Standard 5-Year/Annual, and Streamlined 5-Year/Annual PHA Plans. In addition, the public housing agency whose jurisdiction encompasses more than one consolidated plan jurisdiction must ensure consistency with all plans.

The State of Wisconsin Consolidated Plan covers all jurisdictions except the following: Appleton, Janesville, Neenah, Waukesha, Beloit, Kenosha, Oshkosh, Waukesha/Ozaukee/Washington, Dane, La Crosse, Racine, Jefferson County Consortium, Eau Claire, Madison, Rock, Wausau, Fond du Lac, Milwaukee, Sheboygan, Wauwatosa, Green Bay, Milwaukee Co., Superior, West Allis.

**STATEMENT OF INTENT:** It is the State's intention to consider all certification requests as promptly as possible. It is the further intent of the State to act on the presumption that a public housing agency's plan is consistent, unless factors within the documents submitted indicate otherwise.
