RE: HOME RHD Application 2021 June Round Applications

*Can I use the application on the website?* Yes, materials posted on the RHD site are current and up to date for use in June 2021 application submissions. The website will always have the current materials posted, the RHD site does not host an archive of outdated materials.

As a reminder, the June round is the general round and all applicants are welcome to complete and submit applications for shovel ready rental activities. Applications will be accepted up until the close of business Monday June 7th.

It is recommended that you establish a drop box to facilitate the electronic delivery of your completed HOME RHD Application for this June round. If another secure method of electronic deliver is available that can facilitate the delivery of the completed application this will be accepted in lieu of the typical paper application. Please do not use email to submit application attachments as large document attachments may cause unforeseen delivery issues or delays.

Applications may be sent via USPS or UPS to:

HOME RHD Program  
Department of Administration  
Division of Housing, Energy and Community Resources (DEHCR)  
P.O. Box 7970  
Madison, WI 53707-7970

Please forward any questions to [DOADOHAffordableHousingHelp@wisconsin.gov](mailto:DOADOHAffordableHousingHelp@wisconsin.gov)

Regards,  
Luke Dorzweiler
