Narratives

Areas of Greatest Need:

Using the data developed by HUD, it is evident every Wisconsin county has areas where high risk foreclosure and abandonment factors are prevalent. Home Foreclosures: 12 counties in all regions of the state have foreclosure rates exceeding 6%. Subprime Mortgages: In 25 counties in all regions of the state an estimated 25% or more of the loans issued between 2004-2006 were categorized as high cost. Homes in Default or Delinquency: 17 counties in all regions of the state have estimated 90-day vacancy rates of at least 4%. Unemployment Rates: 6 counties in northern Wisconsin and 3 counties in southern Wisconsin had unemployment rates exceeding 6% in June 2008.

Distribution and and Uses of Funds:

An Amendment to the Substantial Amendment was published on December 2, 2009 which reallocated \$4,280,000 in funds that had been recouped from Activity A, WHEDA's Loan Loss Program. Funding adjustments were made to the eligible uses categories to reflect subsequent contract amendments reflecting a better understanding of the application of the eligible uses as well as actual recovery needs. Funds were increased for the Acquisition/Rehab/Rental and Resale, Demolition and Redevelopment Eligible Uses. A total of \$32,208,257 has been budgeted for NSP activities. The difference of \$6,335,362 from the total of \$38,779,123 comes from the \$2,000,000 in Incentive Funds, the \$4,280,000 in recouped funds from WHEDA (this includes recouped admin funds) and \$55,362 in funds pulled back from Jefferson County Habitat for Humanity due to lack of progress in obligating funds. Incentive and Recouped Funds applications were due to Commerce on January 15, 2010, and grant awards will be posed to the Commerce NSP website by February 15, 2010.

A total of \$6,335,362 in Incentive and Recouped Funds were awarded by Commerce on February 19, 2010. To date, \$38,609,375 of the total \$38,779,123 has been budgeted for NSP activities. The remaining \$169,748 along with any funds recaptured from grantees due to lack of progress in obligating resources will be reallocated to grantees for eligible activities and admin in order to obligate all funds in a timely manner. We anticipate allocating these funds along with any funds that may need to be reallocated in the future from grantees due to lack of progress in obligating funds. Commerce has obligated 61% of NSP funds to projects and will obligate all funds by the September deadline.

As of July 20, 2010, \$38,714,553 of the total \$38,779,123 award has been budgeted for NSP activities. Commerce awarded \$498,566 in recouped NSP funds in July 2010. The remaining \$64,570 will be reallocated to grantees for eligible activities and admin to obligate funds in a timely manner. To date, Commerce has obligated 77% of NSP funds to projects.

As of September 24, 2010, 100% of the \$38,779,123 had been awarded, budgeted to NSP activities and obligated in DRGR by the 18-month contract deadline. A total of \$822,820 in Program Income has also been obligated to NSP Activities as of this date, therefore actually obligating 101.33% of the State of Wisconsin's NSP funds. Please note that due to the lack of reporting function for PI retained by a subgrantee in DRGR, per agreement with our CPD rep, the State of Wisconsin submits a separate spreadsheet that cumulatively documents the Program Income that our subgrantees have reported as received and obligated. These funds are considered obligated to activities and therefore part of the calculation of NSP funds obligated to date. Also, due to the fact that the State of Wisconsin obligation module was frozen in DRGR two days before this deadline, some minor edits to Action Plan and obligations will have to be made once to reflect final activities and obligations once we are permitted to do so.

As of March 31, 2011, the State of Wisconsin's has disbursed 66% in NSP1 Program Funds plus a small amount (about \$300K) of NSP1 Program Inc

Distribution and and Uses of Funds:

ome. The program is on track to have 100% of the NSP1 award of \$38,779,123 expended by March 24, 2013.

Most Impacted and Distressed Threshold (Projected)	\$0.00	\$0.00
Progress towards LH25 Requirement	\$12,780,312.89	\$18,407,765.46

Overall Progress Narrative:

As of the end of the quarter, the State and its NSP sub-recipients have expended approximately 128% (over \$49 million) of the \$38,779,123 NSP 1 allocation, a combination of both contract and program income dollars. Overall, over 98% of the activities outlined in the initial contracts have been completed, resulting in approximately 519 units of housing. State NSP staff priorities include updating activity

performance data and reconciling subgrantee program income receipts and expenditures.

All sub-recipients have been monitored at least twice during the contract period. Completion monitoring visits are being scheduled as grantees reach the end of their funds. Some additional on-site monitoring visits have been scheduled (especially for the larger grantees) to ensure continued compliance and program support.

Project Summary
