DOA.WI.GOV<sup>5</sup>

5

## Flexible Facilities Program Overview

- **U.S. Department of Treasury's Capital Projects Fund (CPF) Program** funding established through the American Rescue Plan of 2021
- **CPF Program aims to:**
  - Directly support recovery from the COVID-19 public health emergency by strengthening and improving the infrastructure necessary for participation in work, education, and healthcare monitoring that will last beyond the pandemic;
  - Enable investments in capital assets designed to address inequities in access to critical services; and
  - Provide the modern infrastructure necessary to access critical services, including a high-quality and affordable broadband internet connection.

DOA.WI.GOV<sup>6</sup>

6

## Flexible Facilities Program Overview (continued)

---

- State awarded \$107 million for grants.
- Grants awarded to local and tribal governments.
- For projects that enable work, education, and healthcare monitoring, including remote options, in public libraries, community centers, and multi-purpose community facilities to address the needs of residents living in communities disproportionately impacted by the COVID-19 pandemic.

DOA.WI.GOV<sup>7</sup>

7

## Flexible Facilities Program Overview (continued)

---

- Highest scoring public library projects will receive prioritization of funding for up to \$20 million of the FFP funds available.
- The remaining amount of the \$107 million in FFP funds available will be awarded to the highest scoring projects, regardless of category, that include the construction, expansion or renovation of a
  - public library,
  - community center or
  - multi-purpose community facility,
- That meet the requirement of providing high speed internet and other digital connectivity equipment/devices that will enable work, education, and healthcare monitoring.

DOA.WI.GOV<sup>8</sup>

8

## Eligibility Criteria

- Unit of general local government (UGLG) or tribal government must be FFP Applicant (a non-profit subrecipient must partner with local or tribal government to receive project funding); ***and***
- Project must include the construction of a new or the expansion or renovation of an existing public library, community center, or multi-purpose community facility that serves as a public meeting space that is open and accessible to the public;

Exclusion:

General construction or improvement of traditional schools (e.g., public and private K-12 schools, institutions of higher education – colleges, universities), including school libraries, are not eligible FFP projects.

***and...***

DOA.WI.GOV<sup>9</sup>

9

## Eligibility Criteria (cont.)

- Facility must provide for high-speed internet (defined as internet that reliably meets or exceeds 100 Mbps download speeds and between 20 Mbps and 100 Mbps upload speeds and be scalable to a minimum of 100 Mbps symmetrical for download and upload speeds), including the purchase and/or installation of digital connectivity devices and/or equipment to facilitate broadband internet access; ***and***
- Facility space and digital connectivity resources must directly enable work, education ***and*** healthcare monitoring; ***and***
- Facility must continue to be owned by the local or tribal government (or qualifying subrecipient) and provide the FFP project services for 5 years following the closeout of the FFP project.

DOA.WI.GOV<sup>10</sup>

10

## Eligible Projects

### Examples of eligible projects include, but are not limited to:

- Construction of new community center or expansion of an existing public library, which includes providing publicly accessible computer labs with public Wi-Fi that allow users to:
  - Access job workshops, work programming, virtual job fairs, meetings with workforce development groups, virtual job interviews, job interview guidance and materials, and/or resources to compose resumes and apply for jobs; ***and***
  - Access educational opportunities such as online classes/sessions, educational and work partnership events and/or internships, resources for completing college applications, registering for classes, virtually visiting with an academic advisor, reviewing study materials, and/or conducting research for educational classes; ***and***
  - Attend telehealth or wellness appointments, virtually meet with a healthcare provider, access online materials relating to a health condition, and/or review instructions for an upcoming health appointment.

DOA.WI.GOV<sup>11</sup>

11

## Applicant Criteria

- Must identify a need impacted by or created as a result of the COVID-19 pandemic.
- Must demonstrate how the project is reasonably likely to respond to it.
- Must certify that the proposed or existing project site will provide new or improved Broadband (high-speed internet) and digital connectivity that will directly enable work, education and healthcare monitoring upon project completion.

DOA.WI.GOV<sup>12</sup>

12

## FFP Program Funding

- Maximum award per project: \$4,250,000
- No minimum Match required – must demonstrate funding of total project cost
- Two (2) categories of funding:
  - **Category A:**  
Capital projects for the construction of a new facility that meets the other project requirements.
  - **Category B:**  
Capital projects for the renovation or expansion of one or more existing facilities that meet(s) the other project requirements.
- Application/project may only be for one (1) category type.
- An Applicant is eligible to submit one (1) application per category.

DOA.WI.GOV<sup>13</sup>

13

## FFP Program Requirements

### Upon Award (if awarded FFP funds):

- Award Acceptance
- Pre-Agreement Documents
- Execution of Grant Agreement
- Implementation Training(s) (as scheduled)
- Compliance with Grant Agreement & current FFP requirements – Including:
  - Policies and Regulations
  - Reporting and Recordkeeping Requirements and Documents
  - Project Milestones, Deadlines and Processes
- Compliance required regardless of subrecipient or grant administration arrangements.

DOA.WI.GOV<sup>14</sup>

14

## FFP Program Requirements (cont.)

---

Non-compliance may result in cancellation of grant and/or payback of FFP funds.

DOA.WI.GOV<sup>15</sup>

15

## FFP Program Requirements (cont.)

---

### Environmental Requirements:

- Subject to completing environmental review process specific to FFP.
- Not subject to National Environmental Policy Act (NEPA) unless environmental review reveals NEPA requirements are triggered or other funding source(s) for project require(s) it.
- Environmental review approval from DOA-DEHCR required ***prior to*** the **start of construction** and **acquisition of property** for the project (if property is being acquired for the FFP project site).

DOA.WI.GOV<sup>16</sup>

16

## FFP Program Requirements (cont.)

### Acquisition and Relocation:

- Subject to Uniform Acquisition Relocation Assistance and Real Property Acquisition Policies Act of 1970 (i.e., URA) and State of Wisconsin eminent domain laws/statutes for acquisition and relocation requirements.

DOA.WI.GOV<sup>17</sup>

17

## FFP Program Requirements (cont.)

# Flexible Facilities Projects

25

25

## FFP Projects: Eligible Facilities

Public Libraries

Community Centers

Multi-purpose Community Facilities

Senior Centers

**DOA.WI.GOV**

26

26

## FFP Projects: **ELIGIBLE Activities**

### **ELIGIBLE FFP Projects & Costs:**

- Construction costs for new construction and renovation or expansion of qualifying building facilities and spaces
- Purchase and installation of digital connectivity devices, equipment, materials, etc.
- Acquisition of real property and relocation (if applicable)
- Professional services for A/E, grant administration, acquisition/relocation, etc.

DOA.WI.GOV<sup>27</sup>

27

## FFP Projects: **ELIGIBLE Activities (cont.)**

### **Notice regarding Multi-Purpose Community Facilities:**

- Treasury Guidance: "Projects must be designed to jointly and directly enable work, education, and health monitoring, but these activities need not be the exclusive function or purpose of the Project."
- While other parts of a building may be deemed eligible, the extent to which the FFP funds are being used to achieve the goals of the FFP will be a factor in scoring for the Project Reach section of the FFP Application. Projects for which the FFP funding is used for costs unrelated to the FFP project goals may score lower in this category accordingly.

DOA.WI.GOV<sup>28</sup>

28

## FFP Projects: **INELIGIBLE Activities**

### **INELIGIBLE FFP Projects & Costs:**

- General construction or improvement of traditional schools and school facilities (including school libraries)
- Infrastructure (streets, utilities, bridges, ports, etc.)
- Operational and staffing costs
- Internet and other service subscriptions and fees
- Grant Application preparation costs
- Any costs prior to March 15, 2021
- Refer to previous slides and Grant Announcement for other ineligible pre-Award and pre-Grant Agreement execution costs.

## Max. FFP Award, Match, and Allowable Admin.

	Category A: Construction of New Facility OR Category B: Renovation/Expansion of Existing Facility:
Maximum FFP Award Amount	up to \$4,250,000
Minimum Grantee Match	No Minimum Match Required
Maximum Grant Administration Cost (using FFP Award)	\$10,000 or 2% of FFP Award, whichever is greater (up to/not to exceed \$50,000)

## FFP & Application Process Overview

	Flexible Facilities Program (FFP)
Grant Type	Competitive
Available Department of Treasury Funding	Approx. \$107 million
Awards	Applications scored, ranked, and awarded based on available funding. Highest scoring library projects receive prioritization of funding for up to \$20 million. Remaining amount of the \$107 million available will be awarded to the highest scoring projects, regardless of category.
Denials	Appeal of a denial decision must be made by the UGLG within thirty (30) days of the date of the decision letter. NOTE: Must document that DEHCR made a scoring mistake. <i>Disagreeing</i> with a score assigned is <u>not</u> acceptable grounds for an appeal.
